

# Let's

# ROCK

# Middlesex

# This Summer!

**We're creating a "rock snake" along the walkway in Victor Crowell Park and we need your help!**

**Add your painted rock to "Victor" the rock snake. Let's see how long Victor can grow by the end of the summer!**

- ▶ Paint a positive message or picture on your rock
- ▶ Please use acrylic, waterproof paint for your rock
- ▶ Paint your initials on the bottom so you may collect your rock(s) at the end of the summer
- ▶ Weatherproof your rock with a clear coat sealer

**We're starting Victor the snake at the entrance to Victor Crowell Park.**

Look for Victor just past the gate and past the picnic tables. You'll find our sign – and Victor's head!
