You must submit a drawing detailing the size of each sign and what the sign will look like. If you are using a sign manufacturer, you must submit technical drawings for each sign along with installation information. If you are applying for more than one sign, you can use this single application form, BUT you must submit information on EACH sign. Proposed signs must comply with Middlesex Borough sign ordinance (Article IX, Chapter 420-61).

Indicate the number and type of signs:

Indicate the dimensions of each sign

Indicate materials to be used for each sign:

Indicate the location of each sign:

Indicate which (if any signs are illuminated and how they will be illuminated:

I hereby make application for a commercial sign. I have read the Middlesex Borough sign ordinance (Article IX, Chapter 420-61). I understand that all provisions of the Middlesex Borough sign ordinance are to be complied with. I also understand that this permit must be applied for and approved on an annual basis.
