Mayor's Message: Halloween

This year, Halloween falls on a Saturday. This normally means larger crowds of children, and several of our neighboring towns have already decided to cancel Trick or Treating.

The Borough Council has discussed and ultimately decided that adults need to make their own decisions for their children and for themselves. Rather than government, you get to decide whether your children can go out for candy; you get to decide whether you are putting your lights on or off as a signal that Trick or Treaters are welcome. Halloween in Middlesex Borough is on!

However, as we continue to adapt to the realities of Covid-19 in our State and community and in conjunction with guidance from the NJ Department of Health, the governing body does feel compelled to make recommendations for ways to celebrate Halloween safely. We encourage you to plan early as to how you are going to celebrate and to identify safe alternatives.

Our recommendations are informed by the Middlesex Board of Health and the New Jersey Department of Health.

For Those Planning Celebrations

When participating in Halloween activities should keep in mind public health recommendations of social and physical distancing, wearing

continued, next page

Mayor's Message *(cont'd)*

masks that cover the nose and mouth, and hand hygiene.

Door to Door Trick or Treating

- Those who plan to trick-or-treat should limit their groups to current household members, consider staying local, and limit the number of houses on their route. Social distancing should be practiced between all who are not in the same household.
- Halloween trick or treating should end by 8 pm
- Residents participating by giving out candy should keep their lights on even during the afternoon for the little kids who go out early

For those putting out treats

Good option: Limit interaction or contact with trick-or-treaters, wear a mask when individuals come to the door, and regularly wash hands.

Better option: Leave a treat bowl on a porch or table or in a place where it may be easily accessed while adhering to social distancing requirements.

BEST OPTION: Arrange individually packaged candy so that trick or treaters can grab and go without accessing a shared bowl.

Traditional Halloween celebrations often involve crowds, close contact between individuals, and activities in closed spaces. It is important to plan early and identify safe alternatives for celebrating the fall season. Whatever your family decides to do, the goal is to make Halloween a safe, fun activity while keeping everyone healthy.

Best wishes and stay safe

On behalf of the Council, our hardworking Borough staff, and myself, we hope you all have a safe and healthy Thanksgiving and Holiday season.

Mayor John Madden

Proper Recycling Saves Tax Dollars

Recently we shared about issues that our partner, Middlesex County Improvement Authority, is having with Borough recycling. During these turbulent times where municipalities statewide are seeing their recycling disposal costs double or even triple in cost, we are receiving the benefit of a shared service that has kept our recyclable disposal cost lower than many municipalities throughout the state. Through MCIA's buying power, we have been fortunate to be able to contract with them. In 2019, the Borough put out a Request for Proposals for recycling services and the lowest bid that came in was more than \$100,000.00 than MCIA's rate to our town.

Middlesex County has the highest rate of recycling in the State and, by pooling our resources, MCIA is able to pass the savings in our recycling disposal costs to our taxpayers. **This benefit exists as long as our residents continue to follow the guidelines on proper recycling and understand what is and is not acceptable to be recycled.** Unfortunately, it has been brought to my attention from MCIA enforcement officers that Middlesex Borough has experienced an increase in recycling "contamination".

THE NUMBER ONE ISSUE WITH CONTAMINATION IS PLASTIC BAGS ARE NOT ACCEPTED. Additionally, pizza boxes and shredded paper are not recyclable! I know that is counter-intuitive – pizza boxes are made of cardboard and shredded paper is paper – but the fact remains that plastic bags, pizza boxes and shredded paper "contaminate" the rest of the recycling and costs MCIA money to have them removed.

The Borough has been put on notice by MCIA, that, if in the coming weeks, your recycling is contaminated, THE HAULER WILL BE UNABLE TO ACCEPT YOUR MATERIALS AND THEY WILL BE LEFT CURBSIDE FOR YOU TO SORT.

People have good intentions -- they WANT an item to be recyclable so they "sneak" it in -- but these unwanted items (like pizza boxes and plastic bags!) cause big problems.

In closing, I wanted to ask all our residents to please take the time to understand how to properly sort and dispose of your recyclable materials. Everyone must do their part for this program to remain affordable and successful. Thank you for your time and understanding.

Recreation

Come join us for a night full of fun with...

ART·stitution

KIDS HALLOWEEN ART WORKSHOP

-CANVAS PAINTING & SLIME MAKING-

Oct. 28: Kids Halloween Art Workshop Event

Join us for an afternoon of fun for all ages with ART-stitution Kids Halloween Art Workshop Canvas Painting & Slime Making!

Children will be guided step-by-step how to paint a festive scarecrow with acrylic paint on stretched canvas. Next, they'll make a batch of ectoplasm slime! There are no tricks here...just treats! All ages welcome. All supplies included. Children under 7 must be accompanied by an adult.

Wednesday, October 28 from 3:00-4:30pm at Middlesex Rec, Recreation Center 1400 Mountain Ave Middlesex, NJ 08846

\$25/per child. Must pre-register. Spaces are limited. To register, visit the Rec Department's registration page here.

Clerk's Office – Elections

Casting Your Vote

As November 3, 2020 approaches, the Middlesex Borough Clerk's Department wants to keep all residents informed with the options each resident has to cast their vote in the 2020 General Election. As you should know by now, due to the pandemic, the General Election this fall will be primarily a Vote-by-Mail election. Here is some important information regarding the election.

- 1) You can drop the ballot in the secure drop box** located at the Middlesex Municipal Building just outside the entrance to the Court Office. This area will be video monitored 24 hrs./day and the County Board of Elections will be picking up ballots daily. You can also take the ballot to another drop box location within the County (for locations, see the Vote-2020 page of the County website under "Secure Ballot Drop Box Locations". Ballots can be dropped off up until 8pm on Election Day.
- 2) You can bring a completed ballot to your designated polling place on Election Day.** Remember at the polling location, you can only drop off your ballot. You cannot drop ballots off for others. You can only vote individually, and you must sign in with the poll workers.
 - a. **Districts 1, 2, 3, 4** are at the High School Gymnasium
 - b. **Districts 5, 6, 7** are at the Hazelwood Gymnasium
 - c. **Districts 8, 9, 10** are at the Mauger Gorman Gymnasium
- 3) You can vote in person at a polling place. This will be by a paper ballot that is no different than the one received in the mail. This will be considered a provisional ballot until the Board confirms that you have not already voted by mail.** Any voting machine at these locations will only be used for those who have a disability.
- 4) You can bring your ballot to the Middlesex County Board of Elections** at 11 Kennedy Blvd, East Brunswick, NJ up until the close of polls on Election Day.

Check the Status of Your Ballot

If you want to verify that your mail in ballot has been received, you should register at "Track Your Ballot" on the New Jersey Elections website: nj.gov/state/elections.

Please feel free to call the Borough Clerk at 732-356-7400, Ext. 238 with any questions you may have.

Licenses

As a reminder, applications for the 2021 Dog License will open on January 1, 2021. No applications for the 2021 year will be accepted prior to that date. Spayed/neutered Dogs and Cats have a fee of \$10.00, Unaltered Dogs/Cats have a fee of \$13.00. A late fee of \$10.00 will be charged on or after February 28, 2021. Applications can be submitted online through the borough website (www.middlesexboro-nj.gov).

Tax Assessor

Improving Assistance to Taxpayers

Throughout the pandemic the assessor's office continued to provide information and assistance to Middlesex taxpayers regarding the assessment process via an expansion of on-line access to VITAL's Tax Application, email, and remote telephone services. Operational improvements included the design and creation an electronic format for the processing of the two-hundred-foot adjacent property lists which shortened the response time to taxpayers from five days to three days.

The revaluation for the Borough is scheduled for the tax year 2022. The preliminary work of compiling valuation information and the analysis of sales data is ongoing; it is anticipated that the field work and inspections of properties will begin in the summer of 2021. In November 2021 through December taxpayer reviews will be conducted and on January 10, 2022 the new assessed valuations will be placed on the tax list. Any resulting tax change in billing from the revaluation will be reflected in the mailing of the August 2022 tax bill.

For the tax year 2020 there were six tax appeals filed at the Middlesex County Board of Taxation. The review and adjudication of appeals were conducted via telephone conferences with the comparable sales shared on-line with taxpayers and their attorneys resulting in the withdrawal of County Tax Board appeals. There were no New Jersey Tax Court appeal filings.

Currently only exterior physical inspections of buildings are conducted and for the safety of taxpayers and employees all current CDC guidelines are followed.

Re-Numbering, Explained

Taxpayers may have noticed some changes to the block and lot codes on bills. These changes were a requirement to conform with current New Jersey State regulations. These revisions do not affect ownership or assessment but were required by the Division of Taxation. Under the administrative rules, no alpha block or lot identifiers are permitted which resulted in the re-numbering of certain Borough properties. For example, a property previously identified as Block 100 Lot 7A is now Block 100 Lot 7.01. Additionally, where a single property has multiple lot identifiers such as "additional lots 2, 3, 4, etc." and the deed encompasses all of the property then the lot is now identified by only the first lot number. Taxpayers who have any questions or concerns should contact the Borough Assessor at (732) 356-7400 x270 or Email: assessor@middlesexboro-nj.gov.

Tax Collector

NJ Budget Fully Funds Senior Freeze Property Tax Reimbursement Program

The Governor’s budget fully funds the 2019 Senior Freeze Property Tax Reimbursement program. Payments are expected to be paid to eligible taxpayers beginning October 15th, 2020. Status of applications may be checked by calling 1-800-882-6597.

*** UPDATE 10/22 ***

The application deadline for the 2019 Senior Freeze Program has been EXTENDED from November 2, 2020 to December 31, 2020. Booklets may be picked up in the main entrance lobby or outside the main entrance.

Remember Your Quarterly Taxes

4TH QUARTER TAXES
DUE NOV. 1ST , 2020

- Bags will be given out during Recycle Yard normal business Hours
- A coupon is required to pick up the bags
- Bags will be given out while supplies last

Public Works (DPW)

Road Repairs

Many roadways within the borough are being crack filled to increase pavement life and serviceability. This is a preventive maintenance to prevent water from entering asphalt layers and creating future potholes. Cracks are inevitable and neglect leads to accelerated cracking and many long-term problems. Our public works department takes great pride in maintaining safe roads for our borough residents.

Library

1300 Mountain Avenue
Middlesex, NJ 08846
732.356.6602
www.middlesexlibrarynj.org

Our doors may be closed, but that doesn't mean we are!

The Library has lots of fun things going on virtually – and some in person – for the entire community to enjoy! Keep an eye on our website for the most up to date information on reopening procedures and Covid-19 related library services. And most of all – stay safe and healthy!

Walkup/Pickup Service

Our Walkup/Pickup service is now running 5 days a week: Mondays, Wednesdays 10am-5pm; Tuesdays, Thursdays, 10am-8pm; and Fridays 10am – 5pm. Call us at (732) 356-6602 or email us at reference@middlesexlibrarynj.org with your requests: books, audiobooks, DVDs, or a combination! We will pull and check out any of your requests that we have in house, and call or email you when they are ready for pickup. Pickup is in the Community Room vestibule – please wear a mask and bring your ID.

Not sure what to choose? Let our experienced Reference Librarians help! Fill out the Reader's Advisory form at <http://www.middlesexlibrarynj.org/digital-resources/readers-advisory> and our librarians will choose several items based on your likes and dislikes.

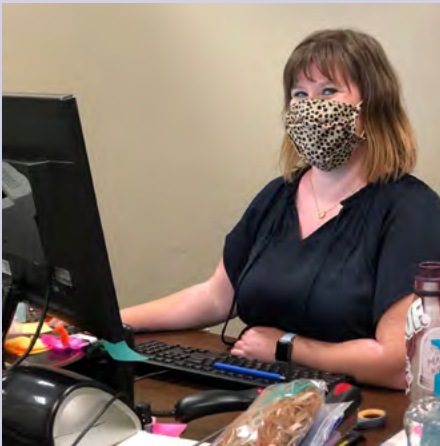

<http://www.middlesexlibrarynj.org/digital-resources/readers-advisory>

Or, browse our new books, DVDs, and other selections online at our Virtual Bookshelves! Go ahead, judge a book by its cover – you can view them all here: <http://www.middlesexlibrarynj.org/surf-our-shelves>

We also offer printing and copy services at our Walkup/Pickup area – email documents to be printed to printers@middlesexlibrarynj.org, or come in person with your documents to be copied. Only black and white copies/prints, \$0.20 per page.

Notary service is offered at Walkup/Pickup Mondays-Wednesdays at \$2 per signature. Please call in advance to ensure notary is in the building.

Library

Program Updates

To keep our community safe at this time, the majority of our programs are virtual – but don't think you'll be able to zone out while staring at a computer screen! Our children's programs with Miss Mo, Miss Kristin, and Miss Theresa are so engaging and energetic, you will feel like you are there with us!

We've got weekly programs and some super cool special events – check out the entire lineup here: <http://www.middlesexlibrarynj.org/kids/>

We also have some socially distanced, in person programs up our sleeves – pop up libraries and storytimes outside, weather permitting! Our Facebook page will announce these last-minute pop up programs a week or so in advance, so make sure you follow us on social media!

Police

Middlesex Police Establish an Internet Exchange Zone

Chief Matthew P. Geist announced that the Middlesex Police Department has established an Internet Exchange Zone in the parking lot at police headquarters. Signs establishing the Internet Exchange Zone will identify the two parking spaces in the police department's parking lot that comprise the safe zone. The zone will be monitored by a dedicated video surveillance camera. The move comes in response to increasing incidents of violence, fraud and thefts by deception involving transactions and exchanges that are associated with online marketplaces.

“Our goal is to create a place that promotes safer transactions between individuals making sales, purchases or exchanges with total strangers. We urge our residents to use this zone or to use our police department's lobby to conduct these types of transactions” said Chief Geist.

The Middlesex Police Department will not provide police personnel to witness or monitor the transactions and thus the Borough of Middlesex and the Middlesex Police Department will make no guarantees, assurances or promises as to the safety or security of any in-person transactions that may take place on borough property. However, the presence of video surveillance cameras and the proximity to police personnel should combine to create a safer environment for both buyers and sellers. Should you have any questions or require clarification regarding the information provided, please contact Captain Frank DeNick at (732) 356-1900 extension 320.

Residents! Sign Up for Nixle Notifications and Alerts

Nixle allows the Police Department to send important, valuable community information directly to residents using the latest technology. Messages will be delivered by email, SMS/text message (cell phone), and over the World Wide Web.

Notifications may include crime related alerts, traffic advisories and other relevant safety and community event information. Nixle also enables citizens to submit anonymous tips to the police department to aid in crime fighting efforts. To learn more about Nixle and to sign up, please visit our web site at www.middlesexpd.com.

Report a Traffic Safety Concern

We ask that you support our *Safe Roads Initiative* by obeying all traffic laws at all times. Please report any non-emergency traffic concerns to the Middlesex Police Department – (732) 356-1900 ext. 235, or trafficsafety@middlesexpd.com.

Police

Some Halloween Safety Tips from the CDC

Steps to Take when Trick or Treating

Traditional Halloween activities are fun, but some can increase the risk of getting or spreading COVID-19. Plan alternate ways to participate in Halloween.

MAKE TRICK-OR-TREATING SAFER

- Avoid direct contact with trick-or-treaters.
- Give out treats outdoors, if possible.
- Set up a station with individually bagged treats for kids to take.
- Wash hands before handling treats.
- Wear a mask.

WEAR A MASK

- Make your cloth mask part of your costume.
- A costume mask is not a substitute for a cloth mask.
- Do NOT wear a costume mask over a cloth mask. It can make breathing more difficult.
- Masks should NOT be worn by children under the age of 2 or anyone who has trouble breathing
- Stay at least 6 feet away from others who do not live with you
- Indoors and outdoors, you are more likely to get or spread COVID-19 when you are in close contact with others for a long time.

WASH YOUR HANDS

- Bring hand sanitizer with you and use it after touching objects or other people.
- Use hand sanitizer with at least 60% alcohol.
- Parents: supervise young children using hand sanitizer.
- Wash hands with soap and water for at least 20 seconds when you get home and before you eat any treats.

Police

Your teen is in the driver's seat but **YOU'RE IN CONTROL.**

Talk with your teen about the rules for the road.

Wear seat belts | No speeding | No texting
No alcohol or drugs | Limit extra passengers

NHTSA RULES for the ROAD

Under state law, drivers and passengers must all wear seat belts, and failure to do so for those in the front seat is a primary offense, meaning police can pull a car over if someone up front isn't wearing one. The fine for not wearing a seat belt is \$46.

LOCK
YOUR CAR

TAKE
YOUR KEYS

HIDE
YOUR BELONGINGS

Thwart Thefts of Vehicles and from Vehicles

Before you know it, the holidays will be upon us. Whether you buy items online or in the store, make sure that you protect your purchases. Items in clear view make easy targets for thieves, so don't leave unattended packages on porches or in vehicles.

Leash and Curb Your Dog

- Street and nearest cross street
- Nearest house number
- Pole number
- Your name and phone number

Stop for Pedestrians In Marked Crosswalks

Vehicles must stop for a pedestrian within a marked crosswalk but must also yield the right-of-way to pedestrians crossing within any unmarked crosswalk at an intersection. Nineteen states put the burden on vehicles to stop and yield if a pedestrian is located anywhere in the roadway. Failure to stop carries a \$200 (court costs additional) fine, a 2-point license penalty, 15 days community service, and insurance surcharges.

Police

Food Drive with Contactless Drop Off

The Middlesex Borough Police Department to host a FOOD DRIVE to support The Middlesex County Food Organization and Outreach Distribution Services (MCFOODS)

Chief Matthew P. Geist announced that the Middlesex Borough Police Department and local youth volunteers will be co-hosting a food drive. The food drive will run from October 15th through November 15th. The police department and local youth volunteers joined forces three years ago in support of M.C.F.O.O.D.S. and the partnership has been going strong ever since.

“The COVID-19 pandemic will nearly double the number of families that struggle to consistently put food on their tables. Our job is clear – we must do whatever we can to help those in need and we ask you for your help.” said Chief Geist.

All donations will benefit M.C.F.O.O.D.S. (The Middlesex County Food Organization and Outreach Distribution Services). M.C.F.O.O.D.S. is a program that was created in 1994 and continues to support local residents in need. This organization provides nonperishable foods to over 140 partner organizations (food pantries, soup kitchens and social service agencies, etc.) across 25 towns in Middlesex County.

Donation boxes provide a “contactless” donation option and will be located at the Middlesex Borough Police Department, the SuperFood Fresh Supermarket of Middlesex and the Acme Market of Middlesex.

Items sought include non-perishable goods (canned or boxed foods, condensed milk, toiletries, diapers and wipes). Perishable, frozen and refrigerated foods, as well as glass jars and bottles, WILL NOT BE ACCEPTED.

Anyone who is interested in placing a donation box at their business, office, school, or building can contact Police Officer Joleen Auricchio by telephone at 732-356-1900 ext. 346 or by email at cp@middlesexpd.com.
